

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

BRIAN KNIGHT,

Plaintiff,

v.

CLIMBING MAGAZINE; SKRAM MEDIA  
LLC; MATT SAMET; MARK CROWTHER;  
CEDAR WRIGHT; and DOES 1 through 10,

Defendants.

3:11-cv-00146-LRH-RAM

ORDER

Plaintiff Brian Knight initiated this action in the Ninth Judicial District Court for Douglas County, Nevada on December 23, 2010. On March 1, 2011, on the basis of diversity jurisdiction, Defendants Climbing Magazine filed a notice of removal to this court (#1<sup>1</sup>).

After review of the complaint and Defendant's petition for removal, the court finds that it requires more evidence to determine whether it has subject matter jurisdiction over this case. While it appears that the parties are of diverse citizenship,<sup>2</sup> Defendant has not demonstrated that the amount in controversy exceeds \$75,000.

"[A]ny civil action brought in a State court of which the district courts of the United States

<sup>1</sup> Refers to the court's docket entry number.

<sup>2</sup>Plaintiff is a citizen of California and Defendant Climbing Magazine is not a legal entity and therefore is not a citizen of any given state. It is an asset owned by Skram, and its operations are located in Colorado.

1 have original jurisdiction, may be removed by the defendant . . . to the district court of the United  
2 States for any district . . . where such action is pending.” 28 U.S.C. § 1441(a). Among other  
3 reasons, the district courts of the United States have “original jurisdiction” where there is diversity  
4 of citizenship between the parties and the amount in controversy, exclusive of interest and costs,  
5 exceeds \$75,000. 28 U.S.C. § 1332(a).

6 “If . . . it appears that the district court lacks subject matter jurisdiction, the case shall be  
7 remanded.” 28 U.S.C. § 1447(c). “Federal jurisdiction must be rejected if there is any doubt as to  
8 the right of removal in the first instance.” *Gaus v. Miles, Inc.*, 980 F.2d 564, 566 (9th Cir. 1992)  
9 (citing *Libhart v. Santa Monica Dairy Co.*, 592 F.2d 1062, 1064 (9th Cir. 1979)). Moreover, the  
10 removal statute is construed restrictively and in favor of remanding a case to state court. *See*  
11 *Shamrock Oil & Gas Corp. v. Sheets*, 313 U.S. 100, 108-09 (1941); *Gaus*, 980 F.2d at 566.

12 After a defendant files a petition for removal, the court must determine whether federal  
13 jurisdiction exists, even if no objection is made to removal. *See Rains v. Criterion Systems, Inc.*,  
14 80 F.3d 339, 342 (9th Cir. 1996). The defendant always has the burden of establishing that  
15 removal is proper. *Gaus*, 980 F.2d at 566. Normally this burden is satisfied if the plaintiff claims a  
16 sum greater than the jurisdictional requirement. *Id.*

17 However, if the plaintiff does not claim a sum greater than the jurisdiction requirement, the  
18 defendant cannot meet its burden by merely alleging that the amount in controversy is met: “The  
19 authority which the statute vests in the court to enforce the limitations of its jurisdiction precludes  
20 the idea that jurisdiction may be maintained by mere averment . . . .” *Id.* (quoting *McNutt v. Gen.*  
21 *Motors Acceptance Corp.*, 298 U.S. 178, 189 (1936)) (emphasis omitted).

22 In some cases, it may be “‘facially apparent’ from the complaint that the jurisdictional  
23 amount is in controversy.” *See Singer v. State Farm Mut. Auto. Ins.*, 116 F.3d 373, 377 (9th Cir.  
24 1997) (delineating the “appropriate procedure for determining the amount in controversy on  
25 removal” as described in *Allen v. R & H Oil & Gas Co.*, 63 F.3d 1326 (5th Cir. 1995)). However,  
26

1 “[w]hen the amount is not facially apparent from the complaint, the court may consider facts in the  
2 removal petition and may require parties to submit summary-judgment-type evidence relevant to  
3 the amount in controversy at the time of removal.” *Kroske v. U.S. Bank Corp.*, 432 F.3d 976, 980  
4 (9th Cir. 2006) (internal quotation marks omitted).

5 Here, in arguing that the amount in controversy requirement has been satisfied, Defendant  
6 relies solely on the allegations in the complaint. However, the court finds that it is not facially  
7 apparent from the complaint that more than \$75,000 is in controversy. To the contrary, based on  
8 the allegations in the complaint, the amount in controversy could easily be less than the  
9 jurisdictional threshold. Accordingly, jurisdiction has not been established.

10 The court will provide Defendant Climbing Magazine additional time to present  
11 “summary-judgment-type evidence” showing by a preponderance of the evidence that this case  
12 meets § 1332(a)’s amount in controversy requirement.

13 IT IS THEREFORE ORDERED that Defendant Climbing Magazine is granted twenty (20)  
14 days to establish the minimum amount in controversy for federal jurisdiction. Plaintiff is granted  
15 ten (10) days to file an opposition. No reply is required.

16 IT IS SO ORDERED.

17 DATED this 12th day of March, 2011.

---
